

## Workplace Mentoring

### Overview:

The purpose of a mentoring program is to support and cultivate the qualities of staff at various levels and experience within Cadbury.

The Webster Dictionary defines a Mentor as a 'Counsellor, wise and prudent adviser'.

After completing this course, participants will know how to:

- Identify the various ways of mentoring
- Identify mentoring roles and mentoring competencies
- Understand the link between organisational goals and mentoring
- Understand the criteria for successful mentoring
- Understand workplace learning and the relationship with mentoring
- Be familiar with the selection process for determining mentors and mentees
- Identify learning styles
- Build a strong mentoring relationship

**Designed for:** This course is suitable for all staff members.

**Duration:** 1 day
